This program supports Muscogee Citizens located anywhere in the U.S. as well as any small business owner in the Muscogee Reservation to access loans to grow your business.

How does the program work?

The program provides credit support to lenders to help them make your loan. As a borrower, you work directly with your lender and the small business technical service providers at Mvskoke Fund CDFI.

Is the program right for me?

Any business in the Muscogee Reservation with less than 750 employees may be eligible, as well as any business owned by a Muscogee Citizen anywhere in the U.S.

How can it help my business?

You can use the program to get a business loan for working capital, construction, real estate or equipment.

How do I participate?

Contact the Mvskoke Fund CDFI or your local bank, and follow their loan application process. If they need help approving your loan, they can contact the program for support.
